International Energy Fair in Belgrade
11:00 A.M.
Ceremonial Hall, Belgrade Fair

Event Announcement: Sustainability Breakfast for Corporate Leaders

organized by Western Balkans Green Navigator, Italian-Serbian Chamber of Commerce (CCIS) and Development Fund of the Autonomous Province of Vojvodina

Unlock the Future of Sustainable Business at the Sustainability Breakfast for Corporate Leaders!

Join us for a morning of insightful discussion and transformative ideas at the Sustainability Breakfast for Corporate Leaders, where the spotlight shines on "Green Passport: A Corporate Imperative in the Climate Perspective."

Exclusive Introduction to the CSRD Guide for Corporate Leaders:

Be among the first to explore the ground-breaking "CSRD Guide for Corporate Leaders," crafted by the esteemed Western Balkans Green Navigator. This comprehensive guide is designed to navigate the complexities of the Corporate Sustainability Reporting Directive (CSRD), offering vital insights and practical tools to integrate sustainability into the core of your business strategy.

Engaging Exchange with Sustainability Front-Runners:

Engage in a dynamic exchange with representatives from corporations at the forefront of sustainability. Hear first-hand their experiences, challenges, and triumphs in embedding sustainable practices into their operations. Gain invaluable perspectives and practical advice to propel your own sustainability journey.

Networking and Collaborative Opportunities:

Network with fellow corporate leaders over a delicious breakfast. Forge valuable connections, share experiences, and collaborate on innovative solutions to drive sustainable change in the business world.

Event Highlights:

- Introduction to the "Green Passport" concept and its significance in today's corporate landscape.
- Exclusive walkthrough of the "CSRD Guide for Corporate Leaders" by Western Balkans Green Navigator.
- Insightful panel discussion with leading corporate sustainability practitioners.
- Ample networking opportunities with industry leaders and sustainability experts.

Who Should Attend:

CEOs, C-Suite Executives, Sustainability Officers, ESG Specialists, Policy Makers, and anyone passionate about integrating sustainable practices into the corporate sector.

Reserve Your Spot:

Don't miss this exclusive opportunity to be at the forefront of corporate sustainability.
